## COMPANIES TO DEVELOP FAR EASTERN TRADE

(Correspondence Associated Press)  
LONDON, July 14.—Organization of The Levant Company with a capital of \$5,000,000 for developing trade between Great Britain and the near eastern countries has been announced here.

The American Chamber of Commerce in London compares this company to the \$20,000,000 American Foreign Trade Corporation, organized to develop American trade in the near east and which is establishing headquarters in Constantinople, Smyrna, Syria and on the Black Sea and suggests that interesting competition will result.

## DOCTORS WIN DECORATIONS

(Correspondence Associated Press)

CETTINE, Montenegro, July 10.—The ministry of foreign affairs of Jugo-Slavia has conferred high military decorations on several members of the American Red Cross unit in Montenegro, says advices from Belgrade. Other members have been awarded lesser orders.

The director of the unit, Major Henry Rushlon Fairclough, formerly professor at Stanford university, is given the Order of the White Eagle, fourth class. Captains Chelsea C. Pratt and Joseph F. Jaros receive the fifth class decoration of the same order.

About fifty Americans have been engaged recently in relief and medical work in Montenegro. Four hospitals were operated in addition to numerous dispensaries and canteens and a general program to improve health and sanitation was conducted.

The American Red Cross work is now supplemented by that of a unit representing the International Red Cross at Geneva.

## NEWSBOY WEARS THE WAR CROSS

(By Associated Press)

DES MOINES, Ia., Aug. 8.—Pat Ryan, a newsboy, has returned to his old corner after an absence of many months overseas. He wears the Croix des Guerre.

"How did I get it? Oh, the big chief gave me some papers to deliver to another fellow," he said. The records show that Corporal Ryan of company B, 168th Infantry, went deliberately through German barbed wire and machine gun fire to deliver important orders and that his conduct was an inspiration to his comrades.

Ryan also introduced American newspaper enterprise in Paris where in a single day he sold 120,000 copies of the Stars and Stripes.

Then he was made Paris circulation manager of the paper.

Now Pat is back at his old corner here.

## ORPHAN MAKES WINNING PLAY

(Correspondence Associated Press)

BELGRADE, Serbia, July 8.—The professional bad boy of a local orphanage, a lad of 12 years, saw the automobile of Prince Regent Alexander standing in front of the Serbian Military hospital the other day. When the prince appeared the boy told him:

"I'm an orphan, but I don't want to stay at the orphanage. I don't get enough to eat, and besides I don't want to be a showmaker."

The prince asked the boy to come to the palace. The next morning, just after breakfast the boy stole away from the class in showmaking and went to the royal offices. He demanded and was given an audience.

In the afternoon the minister of the court reported to the director of the orphanage that the boy had gained the royal favor and would be sent to the officers' training school.

## COMSTOCK MINES MAY CLOSE SAY OPERATORS

Unless the miners of the Comstock withdraw their demand for an increase of \$4 a day the mines at Virginia City will probably be closed down, according to the operators who attended the conference called by Governor Boyle.

Whitman Symmes represented the operators and is understood to have told the others present at the conference that the Comstock mines were unable to increase the wages and operate at a profit. About 300 men are affected.

"I wonder what he's been up to now," is the comment of certain women when they see a certain kind of man at the theater with his wife.
